SAFE ROUTES TO SCHOOL PROGRAMS

Safe Routes to School (SRTS) is a Nationwide Program promoting walking and biking to school.

- It's **safe, fun** and **healthy!**
- Parent-led neighborhood groups known as **"walking buses"** or **"bike trains"** are forming at all schools. Contact your school Principal, PTA/PTO, PA.
- Use the BCRD Wood River Trail system as the **community connector** to other infrastructure serving our public schools.
- Funding provided through ITD-SR2S
- Reduce your carbon footprint!**
- Reduce traffic congestion and pollution at schools!
- Promote a healthy **transportation choice**— reduce childhood obesity!
